### KAYAKING AT CHOWPATTY

## Hop into a kayak, right here in Mumbai

Dreaming of going white-water rafting in the Himalayas? There's a cool alternative much closer home this summer. Just take a trip down to the Juhu Chowpatty, where Rae Adventure Sports is conducting kayaking lessons all summer. You can opt for the sit-on-top kayak or the sit-in kayak. For first-timers, the academy recommends the sit-on-top, as the latter requires professional manoeuvring. Single-seat and double-seat kayaks are available. But be warned, the academy only lets you go solo after you have had three or four lessons. Each ride lasts about two hours. Kids are welcome too.

**What:** Kayaking lessons  
**Where:** Juhu Chowpatty
